

Qualification Development Manager Job Description

Summary

The Qualification Development Manager is responsible for the lifecycle and management of our qualifications. They are responsible for the development of new qualifications, ensuring they fulfil Ofqual requirements and are aligned to General Dental Council (GDC) and other regulatory body requirements (e.g. Ofqual) where appropriate.

They are responsible for the regular review and adjustment of current qualifications, and will liaise with committees, subject experts and other stakeholders to maintain currency of content. They are responsible for the management of question writers, and for the maintenance of the question banks, and will also oversee the development of qualification resources.

It is envisaged that the Qualification Development Manager will lead on the redevelopment of the NEBDN post-registration qualifications and support with other qualifications where needed.

Job Specification

Job Title:	Qualification Development Manager
Accountable To:	Head of Quality and Standards
Location:	Home based with ability to attend meetings at Preston Head Office

Our Objects

All NEBDN employees are expected to contribute to the objects of the charity:

To improve the education and training of Dental Nurses to enable skill, safety, and operational excellence to be achieved, meeting the high standards set by the charity for the benefit of both the general public and the dental profession

Our Values

NEBDN employees are all expected to subscribe to the organisation's Standards of Performance.

Purpose of the Post

The Qualification Development Manager is a key member of the growing Qualification Development Team which reports into the Head of Quality & Standards. The role holder is responsible for review and development of qualifications and assessment processes ensuring compliance with regulatory frameworks and NEBDN procedures.

Key Responsibilities

1. Project manage the product development, qualification regulation requirements and review processes relating to the validity and reliability of regulated qualifications.
2. Design and develop the qualifications and assessment models in collaboration with the Chief External Examiners, Subject Matter Experts, Curriculum Steering and Educational Standards Committees.
3. Ensure all qualifications are compliant with regulations and meet the needs of centres and learners in accordance with Ofqual and GDC guidance.
4. Manage and use feedback mechanisms with key stakeholders and external bodies to continually improve products and services, evidencing the validity cycle.
5. Manage the process for the development of new qualifications/products and the programme for review of existing qualifications, updating where appropriate and highlighting relevant risk
6. Work effectively and efficiently with team members, other departments and associated contractors to ensure we deliver a good customer experience, achieve product revenue targets and meet the requirements of NEBDNs' Strategic Plan.
7. Plan, co-ordinate, monitor and support the development of qualifications, assessments, products, and services projects. Including the supervision of those who are being utilised in the development activity to ensure they complete their element of the project or work on time, in the most cost-effective way and in line with agreed ways of working, reporting all risks and assurances to the Head of Operations and or Head of Quality & Standards.
8. Identify and recruit subject/technical experts with a range of skills appropriate for the development of qualifications, assessments, product, and services, ensuring sufficient human, financial and infrastructure resources are made available.
9. Proactively identify and take forward opportunities for the development of new qualifications, product, and services for use in the UK through market research and in response to customer local, regional and national agendas or requests from centres or other stakeholders.
10. Prepare, develop, and present business proposals that accurately reflect the collective views of the customer, the income and necessary expenditure and show clearly established development timelines, stakeholder engagement/buy-in and approval.
11. Support the production of assessment materials, qualification resources and awarding organisation guidance for Centres.
12. Collaborate with the Business Operations Manager (Assessment) to adopt an innovative approach to ensure new products and assessments are delivered using digitally enabled learning and assessment technologies.

13. Championing the portfolio, skills, and attributes of NEBDN representing the company at internal and external meetings, events and conferences to strengthen existing credibility, reputation through effective relationships with stakeholders.
14. Awareness of policies and initiatives relevant to product development in areas of responsibility.
15. Prepare Funding Agency applications for new qualifications.
16. Design, produce and distribute qualification related data reports as required.
17. Assist the wider NEBDN team with any appropriate duties.

General requirements

1. Ensure that all responsibilities are undertaken in an effective and appropriate manner which meet the requirements of NEBDN in accordance with the Standards of Performance and Conduct.
2. Seek to continuously improve in all aspects of the job role in order that the charity delivers the best possible service.
3. Positively participate in internal/external meetings and training.
4. Positively participate in regular one to ones and annual appraisals.
5. Ensure that all NEBDN's policies and procedures are adhered to at all times.
6. Work in accordance with NEBDN's culture, values, aims and objectives.
7. Act as a positive ambassador for the charity at all times. Represent NEBDN at national meetings and events and ensure the charity is promoted and ahead of national changes to the profession.
8. Undertake any other duties that may be reasonably required from time to time.
9. Acknowledging the need for professional sharing of information with relevant parties, maintain strict confidentiality of information conveyed to them by the Chief Executive, Trustees, beneficiaries, staff, and external organisations.

NB: This Job Description forms part of the Contract of Employment of the person appointed to this post. It reflects the position at the present time only and may be changed at management's discretion in the future. As a general term of employment, the Charity may make any necessary change in job content or may require the post holder to undertake other duties, at any location in the Charity's service, provided that such changes are appropriate to the employee's role.
