

END POINT ASSESSMENT SERVICE

The gateway declaration including the agreement between the provider, employer and learner will be completed and uploaded to the booking form.

The EPA support pack will be useful for the learner to be able to complete revision with the employer and provider for the end point assessment. Particular attention should be paid to the learner requirements at end point assessment which sets out the EPAO mandatory expectations during the assessments.

Ratification and quality assurance on 100% of **End Point Assessments** to ensure quality and accuracy from the EPAO.

Resits and Retakes may be possible. The provider, employer and learner should refer to the EPA support pack to indicate the requirements and conditions for resits and retakes with the EPAO.

GATEWAY **DECLARATION**

RATIFICATION

RESIT/ RETAKE

BOOKING FORM

The booking form will house the place where the provider will indicate the learner has completed all gateway requirements.

EPA SUPPORT PACK

The End Point Assessment Support Pack is designed for Employers, Learners and Providers to understand what will happen within End Point Assessment and what are the requirements of the EPAO.

END POINT ASSESSMENT

The demonstration of knowledge skills and behaviours as defined in the occupational standard indicating competence at the role and as a safe practitioner.

RESULTS

Results will be issued by the EPAO through the independent Assessment and of the EPAO to the

learner and provider.

The learner will be provided with their certificate to enable registration with the General Dental Council (GDC). The learner must consent to the EPAO passing their details to the ESFA for the **Apprenticeship Completion certificate** Awarding department to be claimed and will be issued from the ESFA to the learner.
